# What is BrightWork 365?

BrightWork 365 is a flexible, complete project portfolio management solution for today's project teams. BrightWork 365 brings the best of the Microsoft 365 ecosystem together in a single collaboration hub for project teams while providing immediate visibility and insights to senior executives.

With BrightWork 365, anyone in your organization can easily plan, manage and report on projects, programs and portfolios.

The dashboard is organized into three main columns: Request Management, Project Management, and Portfolio Management. Each column contains several feature cards with icons and brief descriptions. At the bottom, there is a navigation bar with links to various Microsoft 365 services and a label for the platform.
