

# Find Your BrightWork 365 Version Number

## Option 1

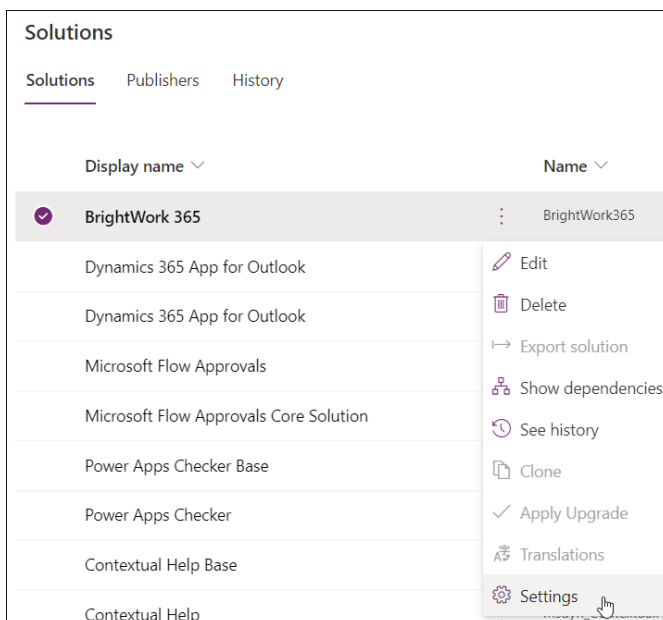

Go to Admin Area > Global Settings > Global Setting > Version tab > Version Number.

## Option 2

1. Go to [make.powerapps.com](https://make.powerapps.com) and select the environment that contains the BrightWork 365 solution.
2. Click on **Solutions** in the Site Map.

3. Click the 3 dot menu for the **BrightWork 365** solution and click **Settings**.

4. The version number will be displayed in the **Solution settings** panel.
