

Sample Training Syllabus

Introduction

This role-based training content is used by our [BrightWork Customer Success Partners](#) as part of BrightWork 365 [Service Offerings](#). This sample content can be adjusted by the BrightWork Champion along with the Customer Success Partner to ensure proper tracking with the customer's custom solution.

We recommend working through the roles in the order presented, starting with the BrightWork Champion role to setup the necessary app elements for further use by the other roles.

1-BrightWork Champion

Approximately 4 hours

BrightWork Champion Introduction

- [What is a BrightWork Champion?](#)
- [What is a BrightWork Customer Success Partner?](#)
- [What is BrightWork 365?](#)
- [Technologies Used](#)
- [Navigating BrightWork 365](#)
- [Projects Area Components](#)
- [BrightWork User Management](#)
- [BrightWork Security Roles Details](#)
- [Frequently Asked Questions](#) (see bottom of page)
