Project Documents - Power BI Dashboard

> **Note** The Project Documents - Power BI dashboard only displays documents added to BrightWork 365 in solution versions prior to 2025-2.

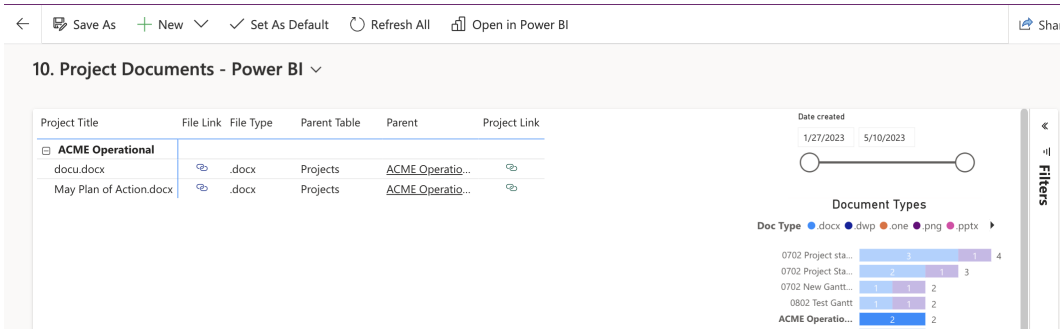

The **Project Documents** Power BI Dashboard displays documents from across your projects and includes links for easy access. The report includes documents from:

- Project Requests
- Project Tasks
- Project Issues
- Project Risks
- Project Actions
- Project Costs

The Date Slider allows the report viewer to narrow down the document selection making it easier to locate the desired document.

The **Parent Table** for documents located in a project's **Documents** tab will be listed as **Projects**.
