

Audit History

Tip The content in this article is limited to the features of BrightWork 365 Free. To access the Knowledge Base for the full BrightWork 365 paid product, click **Home** at the top of the screen. Click [HERE](#) to return to the BrightWork 365 Free - Knowledge Base home page.

BrightWork 365 Free together with the Microsoft Power Platform provides organizations with the ability to track data change history and activity logging for use in analysis and reporting purposes.

To view Audit History:

1. Click **Projects** on the main navigation.
2. Select a project.
3. Click the project's **Audit History** tab (you may need to first click the **Related** tab).
